Call for Papers
The 17th International Conference on Developments in eSystems Engineering
(Robotics, AI, Sensors, Industry 4.0 and applications in Science, Medicine, Humanities, Art, Business, Law and beyond)
http://dese.ai/

6th-8th November 2024
The University of Khorfakkan, Khorfakkan, Sharjah, United Arab Emirates

The 17th International Conference on the Developments on eSystems Engineering (DeSE2024) will continue the success of the previous DeSE conferences, DeSE2024 will be technically sponsored by IEEE (Subject to their agreement, which was granted for DeSE over the last 16 years).

DeSE2024 will provide a leading forum for disseminating the latest results in eSystem Development, Roberts, AI, Sensors, Data Science and Industry 4.0, and more specifically their applications in Science, Medicine, Education, Business Digitalisation, Quality of life, the Environment, Art and more. Currently a high level of interest is being generated through the development of wide end varied range of intelligent systems. There are many high-profile projects, all around the world, seeking to transfer many services and facilities into State-of-Art Smart Technologies.

DeSE is an international core ranked non-profit conference that disseminates the latest knowledge in eSystem Developments including; Artificial Intelligence (AI), Intelligent Systems Applications, Evolutionary Computations, Fuzzy Systems, Neural Networks, Emerging Technologies, Cognitive and Development Systems, Intelligent Computation and Machine Learning.

All submitted papers will be peer-reviewed and accepted papers published in the conference proceedings. DeSE2024 conference proceedings will be submitted to be reviewed by IEEE, and if they meet IEEE quality review standards, then they may be eligible for inclusion in the IEEE Xplore Digital Library. Accepted papers will be also included in **SCOPUS** and will be indexed by other relevant indexation services.

Submission of Papers: Prospective authors are invited to submit full-length papers (not exceeding six pages). Submitted papers should conform to the *IEEE format* and will be handled and processed electronically via the **EDAS** online submissionsystem. Submission implies the willingness of at least one of the authors to register and present their paper.
